KEY STRENGTHS

- Well organised and able to deliver under pressure
- Quick learner, comfortable adopting new technology
- Good interpersonal and communication skills
- 40+ problems solved on URI Online Judge

MD. ASIKUR RAHMAN

SOFTWARE DEVELOPER | C# .NET & ASP.NET CORE

+880 1781 028835 • asik atm2@gmail.com • github.com/asik atm • Dhaka, Bangladesh

PROFILE

Software developer with hands-on experience building and maintaining healthcare management systems in C# .NET. Currently delivering Windows Forms based Diagnostic, Hospital and Pharmacy modules backed by MS SQL Server across 13+ live client installations in Bangladesh, alongside a solid ASP.NET Core / MVC background. Focused on writing clean, maintainable code and dependable software.

PROFESSIONAL EXPERIENCE

Software Developer – E-Medical Software

E-Medical Solution Ltd. | Dhaka

Oct 2025 – Present

- Develop and maintain the E-Medical Windows Forms (WinForms) product suite covering Diagnostic, Hospital and Pharmacy management.
- Customise, publish and support client-specific builds for 13+ hospitals and diagnostic centres across Bangladesh.
- Build data-entry screens, billing workflows and printable reports in C#, backed by MS SQL Server queries and stored procedures.
- Maintain a separate GitHub repository per client, handling releases and hotfixes.

Trainee Software Developer

E-Group Ltd. | Dhaka

Jun 2025 – Sep 2025

- Assisted in developing web applications using ASP.NET Core and MS SQL Server.
- Participated in code reviews, debugging and testing of live application modules.

Trainee Programmer (Internship)

US Software Ltd. | Dhaka

Sep 2024 – Apr 2025

Under the IsDB-BISEW IT Scholarship Programme

- Completed intensive training in Web Application Development with Microsoft C# .NET.
- Built real-time training projects using ASP.NET MVC, MS SQL Server, jQuery and AJAX.
